Print the labels you need from a database sent to a Windows® computer at the job site.

Download on the **App Store**

ANDROID APP ON **Google play**

brother
at your side

Easy to use. Powerful features.

The PT-P750wvp brings desktop label printer features to your jobsite. E-mail or use a cloud storage service to send a database and print strips of easy to peel labels right at the job site. Or, choose the labeling application you want using an iOS or Android mobile app and just type and print a label. That's how it's done.

Tapes for practically every application

HGe and TZe Tape:
Available in a wide range of colors, sizes and adhesive types to match your labeling application.

- **Flexible ID Tape:**
  For wrapping and flagging wires and cables.
- **Extra-Strength Adhesive Tape:**
  For rough, textured and powder-coated surfaces.
- **Standard Adhesive Tape:**
  For flat, smooth surfaces.

HSe Tube:
For marking cables, fiber and wires.

All of these tapes and tube are available on easy-swap, drop-in cassettes. So it only takes seconds to go from using Flexible ID Tape to wrap and flag cables and wires, to Extra-Strength Adhesive Tape to mark load centers and electrical panels, to Standard Adhesive Tape to mark outlet covers and faceplates, to heat shrink tube to mark cables, fiber and wires.

Specifications

Print Speed	Up to 1.2 ips (30mm/sec) – HGe, TZe Tape
NFC Connectivity	Touch to wirelessly connect Wi-Fi® with most NFC-capable Android™ mobile devices
Auto Cutter	Innovative dual blade cutter produces individually cut or strip of multiple easy to peel labels
Versatile Connectivity	USB and 802.11b/g/n Wi-Fi® interfaces (wireless direct, adhoc and infrastructure modes)
AirPrint™	Prints wirelessly from a Mac®, iPhone®, iPad®, iPod touch® and other AirPrint™ compatible Apple® devices
Included Software	Mobile Cable Label Tool for iOS® and Android™ (available through Apple App Store and Google Play), P-touch Editor for Windows® and Mac® (available on www.brother.com/inst)
Print Bar Codes	Code39, Code128, ITF (I-2/5), UPC-A, UPC-E, GS1-128 (UCC/EAN128), GS1 Databar (RSS), GS-1 Composite, Codabar (NW-7), EAN8, EAN13, ISBN-2 (EAN13 AddOn2), ISBN-5 (EAN13 AddOn5)
2D Bar Codes*	PDF417, QR Code, Data Matrix, Maxicode, AztecCode
Media Sizes (width)	24mm, 18mm, 12mm, 9mm, 6mm, 3.5mm
Power Supply	BA-E001 Li-ion Battery Pack, AD-E001 AC Adapter (Both Standard) 6 AA Alkaline Batteries (Optional)
Dimensions/Weight	5in x 3.7in x 9.8in (w x h x d) / 2.32 lbs (without tape and batteries)
Warranty	2 Year Limited Exchange Warranty

*Using Brother P-touch Editor software.

Available tapes**

HGe TAPE — HGe tape is a new tape designed for commercial and industrial labeling applications, specifically for the models PT-E100, PT-E300, PT-E500, PT-E550w, PT-P750wvp, PT-9700PC and PT-9800PCN to print laminated labels up to 2x faster than any current P-touch® TZ tape model.

		3.5mm (0.13in)	6mm (0.23in)	9mm (0.35in)	12mm (0.47in)	18mm (0.7in)	24mm (0.94in)
HGe Extra-Strength Adhesive Tapes - 5 piece bulk packaging, designed for use on plastics, textured and hard to stick surfaces
